2nd Annual Reconciliation-Week 2006

Dear Fellow NGOs,
Dear Colleagues and Friends,

Here is a call for action – Unity in Diversity!

The Foundation for Subjective Experience and Research S.E.R invites you to participate in any way possible to get connected.

Your organization or private initiative is an important piece of the puzzle to establish a world community that actively supports the aims of the UN Millennium Development Goals.

The April 2006 Reconciliation Week, April 22-30, is approaching, please don't miss the opportunity and have a look at the following invitation to see what is right for you. Please feel free to forward this call to other interested friends and institutions.

Please visit the Global-Balance homepage for more information. You will also find German, French, Italian, Spanish and English versions of this call therein (links see below).

Kindest regards,

Romulo V. Tajon
Head, UN Affairs
