

Invitation

to the world-wide Week of Reconciliation 2008

Dear Ladies and Gentlemen
Dear Fellow NGOs,
Dear Colleagues and Friends,

The Foundation for Subjective Experience and Research S.E.R. invites you to participate in **the 4th world-wide week of reconciliation**, so contributing to the establishment of a world-wide community which actively supports the UN Millennium Development Goals.

The Reconciliation Week is to take place from 19 to 27 April 2008 and we would be pleased if you could pass on this summons to interested friends and institutions. Many thanks in advance.

The Foundation for Subjective Experience and Research S.E.R. has put forward to the UN a plan of action for the UN-proclaimed International Year of Reconciliation 2009. This can be downloaded at www.ser-foundation.de, www.ser-foundation.nl, www.ser-foundation.ch, www.global-balance.org. We would like to encourage you and your organization to take part with your own activities and to consider this when planning your year's programme.

Please visit the Global-Balance homepage: <http://www.global-balance.org> for more information. You will also find German, French, Spanish, Arabic, Russian, Chinese and other languages of this call therein.

Kindest regards,

Romulo V. Tajon
